

# Full Moon Ritual for Psychic Abilities

The Psychic Awakening Ritual with **Hecate's** Invocation is a sacred ceremony designed to enhance and strengthen your psychic abilities while calling upon the wisdom and guidance of the goddess Hecate, known for her association with the mystical realms and intuitive powers.

## Materials Needed:

- A quiet and comfortable space where you can perform the ritual undisturbed.
- A small altar or table adorned with symbols of Hecate, such as an image or statue.
- A purple candle to represent psychic awareness and intuition.
- Amethyst or clear quartz crystals for amplifying psychic energy.
- A piece of paper and a pen.
- Incense or smudging tools for purification, such as sage or palo santo.
- Optional: An offering for Hecate, such as herbs or flowers.

## Preparation:

Begin by purifying the space, either by smudging, sprinkling salt, or using any method of energetic cleansing that resonates with you.

Set up the altar or table in the center of the space and place the purple candle in its center.

Surround the candle with the amethyst or clear quartz crystals.

Take a moment to ground yourself, connecting with your breath and centering your energy.

The Ritual:

Light the incense or smudging tools, and cleanse yourself and the space, allowing the smoke to purify and clear any stagnant energy.

Stand before the altar, facing the candle, and invoke **Hecate** by speaking or chanting the following words:

"**Hecate**, goddess of the mystic arts, I call upon your wisdom to impart. Grant me insight and intuition keen, Awaken my psychic senses, sight unseen."

Take a few moments to visualize a soft purple light enveloping you, filling you with a sense of calm and opening up your psychic channels.

Light the purple candle, representing psychic awareness and intuition, and take a deep breath, inhaling its energy.

Hold the piece of paper and pen, and close your eyes. Allow your mind to become receptive to the subtle energies around you. Ask Hecate to bless and awaken your psychic abilities, allowing you to tap into your intuition and receive clear insights.

When you feel ready, open your eyes and write down any specific psychic abilities you wish to enhance or develop. This could include clairvoyance, clairaudience, psychic empathy, or any other intuitive gifts you seek to strengthen.

Hold the paper in your hands and offer a heartfelt prayer to **Hecate**, expressing your gratitude for her presence and guidance on your psychic journey. Ask for her continued support and assistance in developing your psychic abilities.

Place the paper near the candle, allowing its energy to infuse with your intentions for psychic enhancement.

Sit in quiet meditation, focusing on the flame of the candle and allowing your mind to enter a receptive state. Visualize yourself tapping into your psychic abilities with ease and clarity, receiving and interpreting intuitive messages with confidence.

After a few moments of meditation, extinguish the candle, symbolizing the completion of the ritual. Express your gratitude once again to Hecate for her presence and guidance.

Closing: As you conclude the ritual, take a few deep breaths and ground yourself. Reflect on the intentions you have set and trust that **Hecate's** guidance will support you in developing your psychic abilities. Carry the energy of this ritual with you as you continue your spiritual journey, knowing that you have invoked the assistance of **Hecate** and the energies of the universe for your psychic growth.
